DETAILED ACTION

Acknowledgement is made of the remarks and declaration submitted 5/17/2010. No claims were amended. Claims 1-17 stand canceled. Claims 18-50 are pending in the instant Office action. Claims 22-41, 43-47 and 49-50 remain withdrawn for being directed to a non-elected invention.

Claim Rejections - 35 USC § 101—Withdrawn

The rejection of claims 18-21, 42 and 48 under 35 U.S.C. 101 because the claimed invention lacks patentable utility is withdrawn in light of the declaration submitted 5/17/2010.

Claim Rejections - 35 USC § 112 1st Paragraph—Withdrawn

The rejection of claims 18-21, 42 and 48 under 35 U.S.C. 112, first paragraph, as failing to comply with the enablement requirement is withdrawn in light of the declaration submitted 5/17/2010.

Rejoinder

Claims 18-21, 42 and 48 are directed to an allowable compound, pesticide comprising said compound and process for preparing a pesticidal composition. Pursuant to the procedures set forth in MPEP § 821.04(b), claims 22-26, directed to the process of making the allowable compound, previously withdrawn from consideration as a result of a restriction requirement, are hereby rejoined and fully examined for

patentability under 37 CFR 1.104. Claims 27-41, 43-47 and 49-50, directed to the inventions of a compound of formula (IX), (II), (VIII) as well as processes for preparing said compounds and pesticidal compositions comprising said compounds and a method of preparing said pesticidal compositions (restriction groups III-XI from the Office action mailed 3/11/2008) **do not** require all the limitations of an allowable product claim, and have **not** been rejoined.

Because a claimed invention previously withdrawn from consideration under 37 CFR 1.142 has been rejoined, **the restriction requirement between groups I and II as set forth in the Office action mailed on 3/11/2008 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided

by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Applicant's representative David Vanik on 6/17/2010.

The application has been amended as follows:

Claims 27-41, 43-47 and 49-50 are CANCELED.

Claim 18. The definition for substituent Z is amended as follows:

Z represents one of the groups

Substituent Z of claim 18 should read as follows:

Z represents one of the groups

Claim 22. The definition for substituent X^2 under subheading (b) is amended as follows:

X^2 represents CN , ~~or~~-halogen, imidazolyl, or triazolyl.

The definition for substituent X^2 under subheading (b) should read as follows:

X^2 represents CN , halogen, imidazolyl, or triazolyl,

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The claimed compounds, and thereby compositions comprising said compounds, method of making said compositions and method of making said compounds, are novel and nonobvious over the teachings of the prior art. The data provided in the declaration submitted 5/17/2010 provides enabling data for the claimed compounds and suggests that they are effective against several species of weed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Claims 18-26, 42 and 48 are allowed.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kortney L. Klinkel whose telephone number is (571)270-5239. The examiner can normally be reached on Monday-Friday 10 am to 7 pm.
